Dear Aquatic Patrons:

The main goal of writing this letter is to introduce myself as the new Program Manager overseeing aquatics programs and Coral Cove Water Park. I have been in the recreation field for eight years and employed with the Carol Stream Park District for a little over six years. In my six year term with the Carol Stream Park District, I have had the opportunity to oversee youth athletic leagues and programs, special events, volunteer program, fitness programs and facility and now dance and aquatics programs and aquatic facility.

I welcome this opportunity to work with another area within the park district. I welcome your comments regarding the aquatic program and how we may continue meeting your program needs. Please share your feedback by

1. Email me directly at meghanjm@csparks.org
2. Complete a park district Comment Card and submit your feedback in the Comment Drop Box located at the Simkus Recreation Center

Sincerely,

Meghan Jourden-Messerich
