

PARENT CODE OF CONDUCT

Parents of children participating in youth sports programs are expected to adhere to the following Code of Conduct and can be held accountable when not doing so.

The Carol Stream Park District reserves the right to take appropriate disciplinary action involving any parent/guardian in violation of the code of conduct.

By my child participating in this program, I acknowledge that I have read, understand, and will do my best to fulfill the promises made herein.

I hereby pledge to provide positive support, care, and encouragement for my child and all children participating in youth sports by adhering to the Parent Code of Conduct in the following ways:

I will lead by example through:

- Encouraging good sportsmanship and positive support for all coaches, players, opponents, opposing fans, and official at every game, practice, or other youth sporting event.
- I understand the importance of setting a good example for my child as children are influenced by those surrounding them.

I will act responsibly and do my best to assure that:

- My child gets to practice and games on time. I understand that my child needs to be on time to assure adequate warm-up and that arriving late can be embarrassing for my child. I will assure my child is picked up from all games and practices on time. By doing this, I send a message to my child that he/she is my top priority as well as showing respect for the coach.
- I place the emotional and physical well being of my child ahead of a win. I will help to create an environment that builds a culture where winning is not defined by outcome of competition, but by the individual needs of the children. I understand that children are born with different abilities, and that it is not important how my child compares to others, but that he/she is given the opportunity to display their personal best.
- My child has a positive and educational youth sport experience, and the number one reason children play sports is to have fun. I understand and will remember that the game is for the players, not the adults, and will keep that in perspective.
- I will demand a sports environment that is free from tobacco, and I will refrain from its use at all youth sporting events. I understand every child deserves to play in a healthy and safe environment.

I will display appropriate behavior. I understand that violations of the following codes may jeopardize my privilege to attend all youth sports activities:

- I will treat each coach, player, opponent, opposing fan, official, or administrator with respect and dignity, and will refrain from making negative comments, using profanity, intimidation tactics, and/or inappropriate language toward all in the presence of children.
- I understand that by voicing negative comments, I can poorly impact my child's motivation and overall experience.
- I understand that I will only use social media in positive manner in regards to the league. Negative comments towards coaches, players, teams, fans, or officials will not be tolerated.

Terminal Behavior

I understand that violations of the following codes may result in immediate dismissal of my privilege to attend all youth sports activities:

- I will demand a sports environment that is free from drugs, and I will refrain from their use at all youth sporting events. I understand every child deserves to play in a healthy and safe environment.
- I will refrain from initiating or participating in any form of verbal or physical assault toward any coach, player, opponent, opposing fan, official, or administrator.
