

Carol Stream Park District Culture Statement

The Carol Stream Park District achieves our mission through the employees that work here, they are the heart and soul of the District! The following values describe our culture and how we remain successful.

- **Fun** – Our friendly employees create an enjoyable and energetic workplace. Since we create fun, we want to have fun too!
- **Innovative** – Our creative minds come together for the better of the community. “Thinking outside the box” is not just a term, but an idea that drives us. With our diverse faculty, we are able to collaborate and offer new and exciting programs.
- **Passionate** – We genuinely believe in our District’s goals and objectives. We are driven and take great pride in our success by being courteous, attentive and dedicated to each other and our customers.
- **Ethical** - In all of our interactions with coworkers and customers, we treat others with the upmost respect, honesty, and integrity. Our morals focus on our people because they give us purpose.
