B. Weekly Happenings (oral)

- Commissioner Sokolowski commented on the Community Development Block Grant (CDBG) award from DuPage County. Commissioner Sokolowski suggested a letter from the Board to thank the County for their support of the project. Executive Director Reuter will prepare it.
- Commissioner Jaszka likes the work done so far on the Board Development Page.
- Commissioner DelPreto noted there was a Panthers basketball tournament over the weekend; can we advertise to incoming towns to showcase our activities?
- Commissioner Sokolowski noted it was very busy over the weekend but two rooms were not rented; can we use them for team staging to keep hall traffic down? Executive Director Reuter replied we can check rental schedules to see if rooms are available.
- Commissioner DelPreto asked why the CCWP membership pass is the same price but closing early for renovations? Director Bachewicz cited rising costs everywhere. If we had been open for a full season, the membership fee would have increased. We are in talks with neighboring Park Districts for resident rates once our pool closes.
- Commissioner Powers asked if we are close to ETRC closing? Deputy Director Rini replied we have been told to anticipate a closing in mid-April.

	<ul style="list-style-type: none"> Executive Director Reuter handed out pictures of an area south of Red Hawk Park in which an alleged property line violation has occurred. We are in communication with the company to resolve the issue.
Action Items	<p>A. Fountain View Indoor Pool - IGA Renewal with School District 87. Director Bachewicz explained that Glenbard School District 87 expressed interest in renewing the IGA for an additional ten years through June 30, 2033; continuing a with a payment schedule of \$35,000 annually. The District and the District 87 have a history of successfully executing this IGA since 2013. The School and Park District work together on a yearly schedule that allows Glenbard North High School students to utilize the indoor pool during certain hours of the day. Commissioner DelPreto asked why we would not increase the cost. Director Bachewicz replied D87 has not been using for school classes since COVID, but still using for swim teams. Commissioner Sokolowski added that the amount was based on number of lanes that were added to the pool to accommodate D87. Commissioner DelPreto asked why a 10-year renewal? Executive Director Reuter replied it's about the relationship.</p> <p>Commissioner Bird made motion to approve a ten-year extension to Intergovernmental Agreement between the Carol Stream Park District and Glenbard Township High School District 87. Re: Closed Session: Section 2(c)(11) Pending Litigation
LAAG, LLC Property **Agenda Item #: 8A**

LAAG, LLC refers to the property near Red Hawk Park adjacent to the Ravanesi Trail between St. Charles Road and the Great Western Trail. LAAG, LLC has significantly encroached onto Park District property without permission and is in violation of multiple storm water ordinances.

After an onsite meeting with Deputy Director Rini, Director Hamilton, the owner of LAAG, LLC and LAAG's legal counsel, it was determined a meeting with DuPage County was needed in an attempt to rectify all storm water management and flood plain issues on the property. That meeting has been scheduled for Thursday, April 14 at 9am. The meeting will consist of representatives from DuPage County, LAAG, LLC, John Wyeth and Director Hamilton.

After the meeting takes place on April 14, Director Hamilton will give a full report to Executive Director Reuter and the Board of Commissioners. DuPage County has stated LAAG, LLC will need to address all storm water and flood plain issues prior to restoring the Park District's property and Dupage County will act as the governing body ensuring full cooperation from LAAG, LLC.

At this time there is nothing further to report.

Re: Closed Session: Section 2(c)(5) Pending Sale or Lease of Land
Elk Trail Recreation Center **Agenda Item #: 8B**

The District has been notified through its Corporate Counsel that the Buyers of Elk Trail Recreation Center requested a reduction in the sale price due to the buyers claim that they must replace the entire HVAC system.

Staff investigated the cause for the request, and does not agree. Corporate Counsel has communicated to the Buyer's Attorney that the District will not consider a reduction to the sale price. The Buyer's Attorney has notified us that the buyer is now seeking a solution to funding needed to replace the HVAC system in hopes of salvaging the deal.

Additional details are being gathered and will be shared with the Board at the meeting on Monday.

In the meantime, Corporate Counsel continues to push to conclude the deal, adhere to the real estate sales contract and move forward with closing.
